## EDUCATION

---

### University of Calcutta

*B.Tech in Electronics and Communication*

### Gokhale Memorial Girls' College

*B.Sc in Physics (Hons)*

### Techno India Group Public School

*AISSE, AISSCE*

## PROJECTS

---

### • Regret Mail Scheduler

[Demo](#) [Github](#)

*Tools: Vite(React), Springboot*

- Designed and deployed a full-stack web application enabling users to edit or cancel scheduled emails within 10 minutes after sending.
- Engineered RESTful APIs in Spring Boot with robust CRUD operations and error handling to improve system reliability.
- Integrated Lottie animations to enhance user experience and improve visual feedback.

### • ResuMe

[Demo](#) [Github](#)

*Tools: React, CSS*

- Developed a dynamic and responsive resume builder with customizable templates and real-time preview.
- Integrated AOS animations and SweetAlert for smooth user interactions and alert notifications.
- Used FormSubmit to handle contact form submissions and implemented an ATS Checker to evaluate resume-job description relevance.

### • Portfolio Website

[Demo](#) [Github](#)

*Tech Stack: React (Vite), TailwindCSS, Firebase*

- Developed a responsive portfolio using React (Vite) and TailwindCSS to showcase projects, skills, and achievements.
- Integrated Firebase to dynamically render and manage project certificates from cloud storage.
- Used FormSubmit to securely handle contact form submissions without exposing personal email addresses.

## CERTIFICATIONS

---

**AWS Cloud Practitioner Essentials** – by Amazon Web Services Training and Certification
